SUMMARY

I am a Management Business Telecommunication & Informatics (MBTI) undergraduate students from Telkom University with experience in project management, research facilitation, and data analytics. I specialize in stakeholder coordination and facilitating high-quality research that bridges academic insights with practical business solutions. I am eager to apply these skills to drive business improvements through data-driven strategies.

EDUCATION

Telkom University

Sep 2020 - Sep 2024

Bachelor of Business Management of Telecommunication & Informatics (S1 MBTI)

GPA: 3.76/4.00
